ROBUSTLY CHARISMATIC.

DESIGN WITHOUT COMPROMISE.

Elegant, yet robust, agile, yet powerful, the new PEUGEOT Rifter is versatility personified. Borrowing style cues from the world of SUVs – raised ground clearance, large wheels and wheel arches and rear bumper protection – it is built for every day adventures.

A DISTINCTIVE PERSONALITY.

With its sleek silhouette and clean lines, the PEUGEOT Rifter does not go unnoticed. Gifted with a strong personality and a chic wanderer look, a short, horizontal bonnet with the lion in the centre of the vertical grille, large wheels, roof bars, black side protectors and notched wheel arch trims reinforce the remarkably athletic style of the new Rifter.

DISTINCTLY FELINE.

The new PEUGEOT Rifter asserts itself as a new icon of the lion-brand. The feline LED lighting signature and three claw rear lamps, mirror the very latest vehicles in the Peugeot range. An optional tow-bar offers even more versatility, whilst its 2 sliding, side doors with wide access, invite you on adventures aboard.

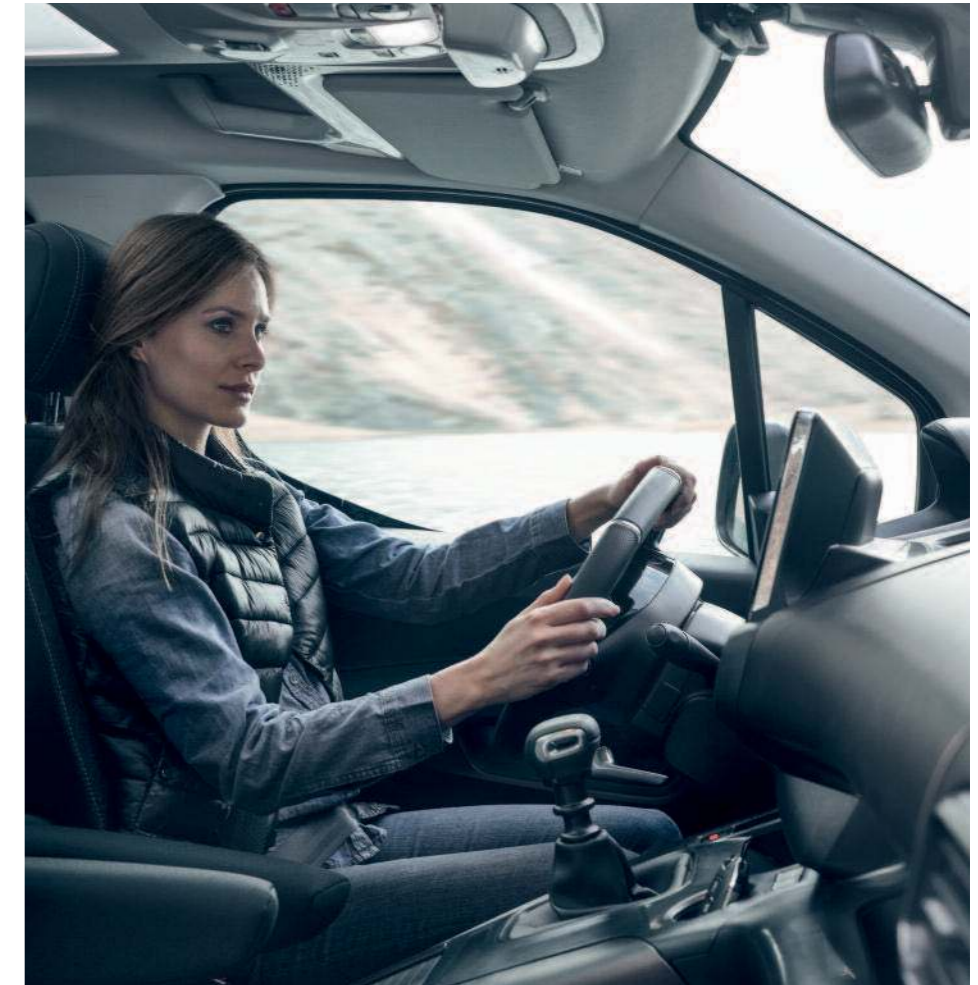

A woman with long dark hair, wearing a dark quilted puffer jacket, leans against the open rear door of a dark-colored SUV. She is looking off to the side with a thoughtful expression. The car's interior, including the door panel with a speaker and a storage compartment, is visible. Outside, a calm lake is nestled between rugged, snow-dusted mountains. A wooden canoe with two oars rests on the grassy shore in the background. The sky is overcast and grey.
