

The SEAT

Ateca

Product Guide - July 2023

Your car. Always connected.

Want a seamless digital experience? The new SEAT Ateca keeps you constantly connected. Behind the wheel or outside your car. Download the SEAT CONNECT App and use your smartphone to access vehicle data. Or open SEAT CONNECT through the touchscreen to start planning your route or organise your playlist. Now you can locate parking slots, see real-time traffic maps and get route information to improve your experience even more. Always there, always on. That's what real connectivity means.

Safety & Service Pack.

Need urgent assistance on the road? Private Emergency Call detects an accident as soon as it happens and automatically sends your location to the emergency services. Something less serious to report? Reach out with Breakdown Call. Time to contact us or arrange a service? Customer Care and Service Scheduling will take care of that for you.

Remote Access Service.

Who needs a key when you've got a smartphone? With Remote Access you can lock and unlock your Ateca by touching your screen. Open the app to check up on the lighting and ventilation status of your vehicle. Capture all the data from your drive. Instantly check if you're exceeding the speed limit in your area. And never worry about forgetting where you parked again. Just open Remote Access and your Leon will use its horn and lights to tell you where it is. You, your smartphone and your Leon. The perfect team.

1 Year subscription included

Online Infotainment Service.

A digital lifestyle means having your content available 24/7. Inside and outside your car. Keep your maps constantly updated, plan your next journey and send it from your computer or smartphone to your car. Find out where to refuel along the way and check out prices and opening hours. You can even use voice control to access destinations, media and radio. Because when you're fully connected, the possibilities are endless.
